

What United Way does:

**United Way
Centraide**
Greater Moncton and
Southeastern New Brunswick

For more than 60 years, our United Way has worked to improve communities in Southeastern NB.

We create long-term, sustainable change.

We know our community!

Through research, consultation and experience, we make sure the right people, organizations, and skills are funded to solve crucial issues by offering essential programs. We bring partners together to create change at a community-wide level.

Thanks to the support of thousands of donors and hundreds of workplaces, **22 agencies** running **25 programs** are being funded in 2018.

Impact of your dollars:

In 2017, **13,794** people in our community directly benefited from the generosity of our donors:

1,561

youth had a place to go after school to learn new skills and feel welcomed, valued and respected.

809

people accessed fresh fruit and vegetables at affordable prices, thanks to the Fresh for Less program.

295

youth accessed mental health care from counsellors who understand and help teach positive coping skills.

1,721

teachers, students and staff throughout Greater Moncton learned about gender diversity and safe spaces.
