

INVESTING FOR IMPACT

\$2,204,169.95 pledged

by our community, for our community

**United Way
Centraide**
Greater Moncton and
Southeastern New Brunswick

WE BUILD STRONGER COMMUNITIES

We're moving people from poverty to possibility.

We're making sure kids are all that they can be.

17,000 LIVES DIRECTLY IMPACTED & MANY MORE CHANGED INDIRECTLY

IN 2021, YOU MADE A DIFFERENCE

United Way Outcomes

- **643** people began to move from Poverty to Possibility
- **2,708** children and youth acquired the skills and assets they need to handle life's challenges
- **3,643** children and youth were connected to supportive adults

Agency Outcomes

- **151** people dealing with homelessness, poverty, mental health and substance use know where to go in the community to get help
- **233** children and youth victims or witnesses of crime feel supported and secure
- **350** youth had access to mental health care from counsellors

YOUR IMPACT IN ACTION: ELSIPOGTOG

Justine and Katerica are two champions in our Elsipogtog community! Justine began coming to Youth Centre activities back in 1998 at the age of 11, and Katerica started in 2000 at the age of 7. Justine enjoyed participating in Safe Space activities as she recalls the Youth Centre as being a fun place to get away from troubles at home. She spent 10 years after graduating high school working at the Youth Centre and was promoted to Safe Space Supervisor. She decided to pursue her dream of going to Post Secondary to complete her Paralegal Diploma and now works for Elsipogtog Mental Health, Addictions and Justice, as an Executive Assistant. Katerica participated in Safe Space activities all the way until she turned 18. She was recalling the time she spent at the Youth Centre as a youth and said, "I was never allowed to be a child at home and the Youth Centre provided her with the freedom to be a kid again". Katerica recently returned to the Youth Centre and was promoted to Safe Space Supervisor. Both Justine and Katerica have given back so much to their community and now continue the legacy by bringing their own children to attend Safe Space.

*Justine and Katerica,
Safe Space Supervisors:
Big Cove First Nation Wellness
Committee / CLCD Safe Space*

DOING MORE TOGETHER

BUILD FOR THE FUTURE

Through Build for the Future, Greater Moncton's construction industry, in partnership with United Way, will come together and contribute \$1 million dollars over 10 years to create long-term meaningful impact by supporting essential nonprofit agencies and programs for youth in our local community.

211

A free and confidential information service trademarked to United Way, 211 is the front door to help, making sure everyone in New Brunswick finds the resources they need, when they need them most.

FOOD PROGRAMS

United Way partnering with Anglophone School District-East, the Food Depot and other community partners and volunteers made and delivered over 40,000 lunch bags and food bags to those in need. We continue with the support of our volunteers and the Food Depot to prepare and deliver 900 precooked, nutritious meals to low income seniors and made over 226 meals on Saturdays and Sundays for people without homes and for families who have food insecurity.

YOU TURNS

YOU Turns connects youth to whom and what they need not only to succeed, but to help them reach the next level.

PEER SUPPORTED HOUSING

In partnership with United Way, Salvus Clinic manages 4 Peer Supported Housing buildings, providing housing with on-site support to tenants who experience issues with mental health and chronic homelessness.

COMMUNITY TRANSIT

United Way administers the Community Transit Pass Program, in partnership with the City of Moncton and Codiac Transpo.
